	Basketball 11:00 a.m. 12:00 p.m.	Grades / EB 5-8	Multipurpose Hall		

All extracurricular activities will begin the week of **October 6** and end on **April 9**. If interested in any of these activities, please follow the steps below :

1. Send an email to activities@lsq.sch.qa mentioning the **name of your child, class and section, activity(ies) chosen.**

If your chosen activity is football or basketball, make sure to mention the chosen day and time.

2. Once we have the minimum number needed to open a class, you will be notified in order to proceed to the accounting department.

3. Once you settle the payment at the accounting department, an email will be sent to you with the dates of all sessions that will take place throughout the year.

Notes:

1. If you need more information about any of the **Geek Express** courses, you can call their representative Ghina on 66017717 or send an email to info.qatar@geekexpress.com.

2. Parents of students who will be enrolled in the gymnastics activity have to fill in a registration form and submit it to the accounting department when registering their child (you can find the form as a separate attachment on the portal). For more information about the gymnastics class, you can contact **The Gymnastics Academy** on 55829428 or send them an email to gymacademy_doha@hotmail.com.

3. Basketball, football, and tennis sessions will be given by experienced coaches from **Pro Sports Academy**. If you have any question, you can call them on 66183596.

4. Buses are not available for students registered in those activities. Parents of registered students must pick up their children from school right after the activity.

5. There will be no rescheduling of classes that students miss.

6. Please note that places of certain activities are limited and will be allocated on a first come first served basis.

7. In case we don't have a minimum number of students in any of the activities, we will have to cancel the class.

We hope that your children will enjoy and benefit from these rich extra-curricular activities.
